

Parent/Teacher Conference Policy

First Steps to Lighthouse Childcare Centers

Parent- Teacher conferences

Parent teacher conferences are offered twice per year. Conferences are planned for September and April of each year. Please look out for the sign-up sheets that will be available for interested parents prior to September and April of each year. If you need to schedule a parent-teacher conference at any other time due to questions or concerns, please see the Center Director to schedule.

Thank you,
